Marble Onice Supreme

Ode to Essential Beauty. Marble Onice Supreme, majestically encapsulates nature in every piece. Inspired by the ethereal beauty of onyx, this marble finish offers a surface that reflects the nobility of precious stones. Marble Onice Supreme features a texture that displays delicate golden veins and translucent cream tones, evoking a horizon of tranquillity and elegance that transforms any space into a luxurious sanctuary. The collection is available in 60x120cm in two exquisite finishes: Silky+ and polished, each designed to praise different aspects of its intrinsic beauty. The Silky+ natural and extra soft finish, provides a unique feel with its sleek micro-texture and exudes a subdued serenity, ideal for environments seeking a sophisticated aesthetic. In contrast, the polished finish, available in stunning 120x280 cm and 120x120 cm formats, as well as 60x120 cm, offers a sheen that magnifies natural light and creates a dazzling visual effect, perfect for those who wish to add a touch of timeless glamour to their spaces. The golden veins that glide over the surface bring a magnetic visual richness.
