## Downtown

With Downtown, large surfaces are transformed places of gathering, exchange and interaction. Cements that create spaces with a clean and rigorous look, that enriches environments with aesthetic austerity and provide a kaleidoscope of technical functions. A wide range of formats, surfaces (natural, lapato and non-slip R11), and mosaics make the Downtown series even richer. Downtown, available in the 60x60 and 30x60 format, together with its complementary pieces.
