Slip resistance (CTE ENV 12633 -Pendulum): Clase 1

Glazed Porcelain

Glazed Porcelain

Suitable for all types of floor and wall applications, interior, exterior, facades as well as bathrooms and kitchens.

Recycling

Recycled:

Havana

Hydraulic geometries. Interiors that look to the past to reinvent the present.

Classic geometries that modernize spaces to make them eternal. Havana pays tribute to hydraulic tiles, playing with their essence in different combinations. Ranging from the larger compositions to designs that disarrange the weave, Havana plays with the timeless style of hydraulic tiles in the 20x20 format. Range available in 4 versions: Jazz, Soul, Retro and Blues.
