Installation: Pavement

Tailor

Eternal style. Industrial-inspired cement for projects that never go out of style. Tailor finds its inspiration in the polished floors of the first lofts in New York City, renovating them in a perfect colour palette for those who plan spaces that need to adapt to multiple needs. In Beige, Blanco, Gris, this collection replicates the charm of the tiny cracks and irregularities of the floor of factories and garages, adding the outstanding performance of glazed porcelain tiles with a satin finish. In different formats and dimensions, its unique texture gives way to trying out geometrical combinations that highlight the charm of urban beauty.
