Terre

Return to the origins. Baked clay, stone and painted cement reunite in a porcelain proposal inspired by the warmest European lifestyle. Terre looks back to the tradition of life on the streets, the sun and the joie de vivre to provide a range of floor and wall tiles that represent a return home, to our origins. A range filled with nuances of the past and strokes of modernity for those who enjoy creating spaces that make their loved ones happier. In a nod to pottery tradition, watercolour paintings and handcrafted nuances, the collection is available in a wide range of colours Blanco, Beige, Gris and Grafito with diverse decorated solutions. Therefore, along with the option of a jungle-style plant composition.
