Marmore Parana

The waters of polished marble, its luminosity and reflectivity are reproduced in Parana with a specular finish. On the Mármore Paraná surface, white predominates, furrowed by veins entangled in ochre and light grey, evoking serene and sophisticated sensations versatile to any style. It is a Super Collection that also has pieces in 120x120com and 120x250, which can be applied from floor to ceiling with imperceptible joins and high impact effect.
