## Marble Lincoln

The Lincoln Series moves between art and nature. Its fine jet-black glossy veins leave their mark on the intense matt white and evoke the beauty of the kintsugi technique, a timeless and elegant technique of great aesthetic standing. The rectified 60x120 cm format and 7mm thickness give the visual sensation of a high-impact joint-free space. The 30x60 cm Suite version reinforces the originality of the finish with horizontal grooves that give it a balanced texture.
